

HD CT Mechanic

- Do you enjoy working with your hands?
- Are you mechanically inclined and love to stay busy?
- Are you looking to expand and grow your career?

If so Magnum may be the place for you. We are looking for Heavy Duty Commercial Transport Mechanics to join our growing team. You will be working with a team of amazing people servicing the Transportation Industry. Come kick-start your career with us today!

Things you will do:

- Perform routine service, maintenance and repairs
- Electrical and hydraulic troubleshooting & diagnostics
- Engine and transmission repairs
- Incidental welding operations and other forms of mechanical repair work
- Perform inspections and test mechanical units
- Diagnose faults and malfunctions
- Adjust, repair and/or replace parts and components of truck systems
- Use power and hand tools related to motor vehicle service & repair
- Complete reports and documentation as required

What you have:

1. Truck-Trailer Repair Trade Certification
2. **OR** Truck and Transport Mechanic Trade Certification
3. **OR** equivalent work experience
4. 3+ years experience (inclusive of apprenticeship hours)
5. Class 1 or 3 drivers licence an asset
6. BC Commercial Vehicle Inspector Certification is an asset

Who are you?

- You are a team player who shares in our core values
- You always put safety first for yourself and your co-workers
- You show up each day with a positive attitude & outlook
- You are mechanically inclined and are committed to producing top notch quality
- You are organized and stay on track to get the job done right and on time
- You can communicate and write in the English language
- You are able to lift up to 50lbs & perform the physical requirements of the role

What's in it for you?

- Competitive pay that rewards you fairly for the work that you do
- A condensed work week that gives you more time off to chase your hobbies and spend time with family & friends
- Shift premiums & opportunities to generate overtime earnings when available
- Extended Health Care Benefits for you and your immediate family to enjoy
- A fun work environment with good people who enjoy what they do
- Leadership who cares and puts your safety at the forefront daily

Precautionary measures have been implemented to protect the health of our employees. This includes daily health screening, increased sanitization, social distancing, and restrictions on guests and visitors permitted on site.
