

Facilities Manager / Coordinator

- Do you enjoy working with your hands to build things?
- Are you mechanically inclined and love to stay busy?
- Are you looking to expand and grow your career?

If so, Magnum may be the place for you. We are looking for experienced Facilities Manager / Coordinator to join our growing team. You will be working with a team of amazing people in our Truck Accessories division. Come kick-start your career with us today!

Things you will do:

- Repair of electrical tools – i.e. hand polishers, grinders, circular saws
- Repair of air tools – i.e., rivet guns, air drills, pneumatic impacts etc.
- Perform daily, monthly, and routine preventative maintenance inspections and updates
- Communicate & coordinate with production team on different shop equipment status
- Maintain daily quality records and logs on equipment as required
- Communicate & coordinate with outside tradesmen to resolve maintenance related issues

What you have:

1. 5+ years' of work experience in the technical / mechanical field, preferably in a Manufacturing environment.
2. Preference given to someone with a Technical diploma OR an individual with a Journeymen certification in Maintenance, Mechanics, Electrical, Welding or other related technical field.
3. Knowledge / Experience in the following technical areas:
 - Plumbing
 - Electrical up to 600V
 - Hydraulics
 - Forklift repair/operation
 - Preventative Maintenance Operating Systems
 - Fire Systems
4. Forklift License preferred

Who are you?

- You are a team player who shares in our core values
- You put safety first for yourself and your co-workers always
- You show up each day with a positive attitude & outlook
- You are mechanically inclined and are committed to producing top notch quality
- You are organized and stay on track to get the job done right and on time
- You can communicate and write in the English language
- You are able to lift up to 50lbs & perform the physical requirements of the role

What's in it for you?

- Competitive pay that rewards you fairly for the work that you do
- A condensed work week that gives you more time off to chase your hobbies and spend time with family & friends

- Shift premiums & opportunities to generate overtime earnings when available
- Extended Health Care Benefits for you and your immediate family to enjoy
- A fun work environment with good people who enjoy what they do
- Leadership who cares and puts your safety at the forefront daily

Precautionary measures have been implemented to protect the health of our employees. This includes daily health screening, increased sanitization, social distancing, and restrictions on guests and visitors permitted on site.
