

Stainless Steel MIG Welder

- Do you enjoy working with your hands to build things?
- Are you mechanically inclined and love to stay busy?
- Are you looking to expand and grow your career?

If so, Magnum may be the place for you. We are looking for experienced Stainless Steel MIG Welders to join our growing team. You will be working with a team of amazing people building a variety of innovative Truck Accessories for the Transportation Industry. Come kick-start your career with us today!

Things you will do:

- Weld & fabricate stainless-steel products for the transportation industry
- Independently use blueprints to fabricate items with various forms of weld symbols
- Square up & weld various geometric components
- Measure & calibrate equipment

What you have:

1. Minimum C Level Welding Ticket (Red Seal Designation an asset but not required)
2. Grade 12 education or equivalent work experience
3. 1+ years of work experience in the fabrication / manufacturing industry

Who are you?

- You are a team player who shares in our core values
- You put safety first for yourself and your co-workers always
- You show up each day with a positive attitude & outlook
- You are mechanically inclined and are committed to producing top notch quality
- You are organized and stay on track to get the job done right and on time
- You can communicate and write in the English language
- You are able to lift up to 50lbs & perform the physical requirements of the role

What's in it for you?

- Competitive pay that rewards you fairly for the work that you do
- A condensed work week that gives you more time off to chase your hobbies and spend time with family & friends
- Shift premiums & opportunities to generate overtime earnings when available
- Extended Health Care Benefits for you and your immediate family to enjoy
- A fun work environment with good people who enjoy what they do
- Leadership who cares and puts your safety at the forefront daily

Precautionary measures have been implemented to protect the health of our employees. This includes daily health screening, increased sanitization, social distancing, and restrictions on guests and visitors permitted on site.
