

Industrial Paint Assistant

- Do you enjoy working with your hands to build things?
- Are you mechanically inclined and love to stay busy?
- Are you looking to expand and grow your career?

If so, Magnum may be the place for you. We are looking for Industrial Paint Assistants to join our growing team. You will be working with a team of amazing people in our Trailer division. Come kick-start your career with us today!

Things you will do:

- Load and unload parts to be painted on paint racks by lifting within legal lifting limits or by means of mechanical lifting devices
- Clean paint booth and paint prep areas as required to maintain a safe work environment
- Masking and taping preparation of products as required
- Knowledge of safety equipment and safe handling of chemicals used in the work area
- Prepare and clean surfaces using methods such as scraping, sanding, chipping to prepare the surfaces for painting
- Caulking of all non-welded joints in preparation of painting

What you have:

- Grade 12 or equivalent experience
- 1-3 years' experience working in a paint, fabrication and/or manufacturing facility
- Experience operating mobile equipment including forklifts and overhead cranes
- Experience with air systems an asset

Who are you?

- You are a team player who shares in our core values
- You put safety first for yourself and your co-workers always
- You show up each day with a positive attitude & outlook
- You are mechanically inclined and are committed to producing top notch quality
- You are organized and stay on track to get the job done right and on time
- You can communicate and write in the English language
- You are able to lift up to 50lbs & perform the physical requirements of the role

What's in it for you?

- Competitive pay that rewards you fairly for the work that you do
- A condensed work week that gives you more time off to chase your hobbies and spend time with family & friends
- Shift premiums & opportunities to generate overtime earnings when available
- Extended Health Care Benefits for you and your immediate family to enjoy
- A fun work environment with good people who enjoy what they do
- Leadership who cares and puts your safety at the forefront daily
