

Truck Equipment Installer

- Do you enjoy working with your hands to build things?
- Are you mechanically inclined and love to stay busy?
- Are you looking to expand and grow your career?

We are looking for a Truck Equipment Installer to join our growing team. Come kick-start your career with us today!

Things you will do:

- Welding, fabrication, and installation of truck body equipment
- Ability to perform hydraulic installations inclusive of troubleshooting
- Working knowledge of air and electrical systems
- Measurement and calibration of equipment
- Fabricate items based on designated blueprints
- Operation of overhead crane to handle required materials

What you have:

- 2+ years of work experience in a fabrication, manufacturing, or repair facility
- Welding ticket an asset but not required
- Strong fabrication skills with mechanical aptitude
- Ability to read and interpret blueprints

Who are you?

- You are a team player who shares in our core values
- You always put safety first for yourself and your co-workers
- You show up each day with a positive attitude & outlook
- You are mechanically inclined and are committed to producing top notch quality
- You are organized and stay on track to get the job done right and on time
- You can communicate and write in the English language
- You are able to lift up to 50lbs & perform the physical requirements of the role

What's in it for you?

- Competitive pay that rewards you fairly for the work that you do
- A condensed work week that gives you more time off to chase your hobbies and spend time with family & friends
- Shift premiums & opportunities to generate overtime earnings when available
- Extended Health Care Benefits for you and your immediate family to enjoy
- A fun work environment with good people who enjoy what they do
- Leadership who cares and puts your safety at the forefront daily
